

Construction, calculation and design

- DGRL 2014/68/EU (PED 2014/68/EU)
- AD2000
- EN13445
- PD5500
- 3D CAD modelling
- Pressure vessels for media state according Art. 4 (liquid and gaseous media)
- Pressure vessels for media state according Art. 13 (dangerous and other media)

Pressure vessels can be approved according to the following directives

- Art. 4 (3) God engineering practice
- Category I / II / III and IV
- Atex zone 0 / 1 and 2
- ASME VIII Div. 1

Industrie Service

Application field:
Well water / cooling circuit

Centrifugal Separator with
Insulation

Operating data: 10 bar / 95°C
Applied regulation: AD2000
Approval: Art. 3 (3)
