

## Construction, calculation and design

- DGRL 2014/68/EU ( PED 2014/68/EU )
- AD2000
- EN13445
- PD5500
- 3D CAD modelling
- Pressure vessels for media state according Art. 4 ( liquid and gaseous media )
- Pressure vessels for media state according Art. 13 ( dangerous and other media )

## Pressure vessels can be approved according to the following directives

- Art. 4 ( 3 ) God engineering practice
- Category I / II / III and IV
- Atex zone 0 / 1 and 2
- ASME VIII Div. 1

Industrie Service

Application field:  
Research and Development

Gas-Liquid housing with  
cooling element and sight  
glass

Operating data: -1/+4 bar / +50°C  
Applied regulation: AD2000  
Approval: Kategorie II,  
Modul A2 / EX II 1/3G c IIA TX
