

## Construction, calculation and design

- DGRL 2014/68/EU ( PED 2014/68/EU )
- AD2000
- EN13445
- PD5500
- 3D CAD modelling
- Pressure vessels for media state according Art. 4 ( liquid and gaseous media )
- Pressure vessels for media state according Art. 13 ( dangerous and other media )

## Pressure vessels can be approved according to the following directives

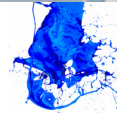

- Art. 4 ( 3 ) God engineering practice
- Category I / II / III and IV
- Atex zone 0 / 1 and 2
- ASME VIII Div. 1

Industrie Service

Application field:  
**Chemical industry**

**Multiple-Bag filter housing**

Operating data: -1 /+ 16 bar -10 /+ 200°C  
Applied regulation: AD2000  
Approval: **Category IV, module G**
